Come enjoy Misasa Onsen, one of the world's most prestigious hot springs, as well as the 12 distinct baths Izanro Iwasaki has to offer. The "Yama-no-Yu" bath in the stroll garden with a central pond is divided into two zones: the "Hidari-no-Yu" and the "Migi-no-Yu" baths. Every year in spring, the cherry trees along Misasa River offer the guests a sight to behold with their blooming flowers, which then give place to young new leaves. In early summer, the sight of fireflies and the croaking sounds of kajika frogs can be enjoyed. In autumn, the colored leaves cover the surrounding mountains. And in winter, the stillness of the snowy scenery is absolutely beautiful.
